Candlelight Reflections

to honor, hope and remember . . .

Thursday, November 3rd, 2016

6:30 p.m. – 7:30 p.m.

Please join us for our annual ceremony, ***Candlelight Reflections***, which raises awareness of Alzheimer's Disease and related dementias and celebrates the lives of those affected by this condition. It should be no shock that November is both National Alzheimer's Disease Awareness Month, as well as, National Caregiver Month. The two go hand in hand, and we would love for you to be a part of this night to honor and recognize both.

The Enrichment Center of Lee County would like to personally invite you to attend ***Candlelight Reflections*** on **Thursday, November 3rd, 2016**. Our ceremony will take place at The Enrichment Center 1615 South Third Street, Sanford, **beginning at 6:30 p.m. and ending at 7:30 p.m.** Free parking will be available.

We are inviting the media and officials in our city/county government, friends and families, providers and agencies, as well as the general public, to join in remembering those we have lost or are losing to Alzheimer's or a related dementia, recognizing those who provide care and support, and honoring those still living with the condition.

Our mission is to celebrate, remember and raise awareness. We expect the ceremony to be both enlightening and encouraging for those who come, and we look forward to seeing you there.

We want to have candles for everyone, so we are asking that you please let us know if you are able to attend by contacting Holly Hight at (919) 776-0501 ext. 2230.
